The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: the oath/declaration does not clearly specify an error in the original patent which is being corrected. The oath/declaration refers to the claims in general but fail to identify by reference to a specific claim and identify specific claim language wherein lies the error. (See MPEP 1414).

Claims 1-15 are rejected as being based upon a defective reissue oath under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

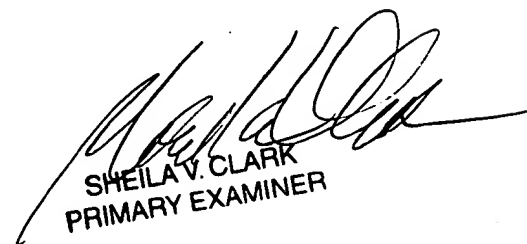

The nature of the defect(s) in the oath is set forth in the discussion above in this Office action.
